

2012 Marathon Double Slide-Out Standard Specifications

CHASSIS SPECIFICATIONS

- Detroit Diesel Series 60 Engine 14.0 L (515 HP)
- Allison World Transmission
- Jacob's Engine Brake
- DDEC VI Pro Driver Electronic Controls
- 83" Interior Coach Height
- Driver's Air Conditioning
- Galaxsee Windows
- Valid Manufacturing Slide-Outs
- Electronic Stability Program
- Xenon Headlamps for Low Beam
- Beru Tire Pressure Monitoring System

CEILING STYLES

- Salon/Galley/Bedroom "Tiered" Style Ceilings
 - Sculpted, Overlaid, Ceiling Panels
 - Multiple Materials and Patterns Available

WINDOW TREATMENTS

- Cockpit Window Treatments
 - Electric Front Windshield, Driver and Entrance Door Pleated Privacy Shades
- Salon/Dinette Window Treatments
 - Electric Window Coverings with Remote Control
 - Designer Choice Window Treatments
 - Solid Surface Window Sills

CABINERY/FINISH SPECIFICATIONS

- Galley and Dinette Upper Display Cabinets with Acrylic Fronts, Mirror Interiors, and Rope Lighting; Floorplan Specific
- "Headerless" Style Air Powered Pocket Doors

COCKPIT SPECIFICATIONS

- Deep-Lacquer Instrument Dash Panels and Leather Wrapped Dash
- Entry Storage Step
- Stone Entry and Landing
- Polished Stainless Sidewalls
- Four Custom Dash Matching Handrails, One Lighted
- Wood and Leather Steering Wheel with Cruise, Engine Brake and Blind Controls

FLOOR COVERINGS

- Plush Carpet with Foam Pad in Salon and Bedroom
- Stone Tiles in Galley and Bath

FURNITURE

- ISRI Leather Pilot Seat with Air Suspension
- 28" Wide Leather Copilot Seat
- Massage Units in Pilot and Copilot Seats
- Custom Built Sofas by Marathon

INTERIOR LIGHTING

- Flush 12V Spotighting with Accent Matched Frames
- Master Light Switches at Entrance and Bedroom
- *Soft Start* Fade On/Off Lighting Control
- Dimmable LED Accent Lighting

APPLIANCES

- Electric Cooktop with Cover
- GE Advantium Speedcook Microwave/Convection Oven
- Twenty-Two Cubic Foot, Side-By-Side Refrigerator/Freezer with Ice maker
- Fisher-Paykel "Dishdrawer" Dishwasher
- Asko Stacked Washer/Dryer on Double Slide-Out Coaches (Pre-Wire, Pre-Plumb and Pre-Vent on Triple and Quad Slides)

EXTERIOR SPECIFICATIONS

- Custom Design Paint Scheme
- Girard Automatic Awnings with Roofcaps
- Three Curbside Patio Lights
- Custom Corvette Tail Light Assembly
- Stainless Steel Rub Rails and Custom Front Grill

UNDERBELLY, UTILITY AND ENGINE BAY

- Euro/American Tow Car Package
- Entertainment Center with 32" HD TV and Storage
- 110V Air Compressor
- Four Zip Dee Folding Chairs

AIR CONDITIONING/HEATING

- Four 15,000 Btu Roof Air Conditioning/Heat Pump Systems, Thermostatically Controlled
- Diesel Fired 55,000 BTU Furnace (Hydronic System)
- Three 110V AC Electric Heaters with Remote Thermostats
- Marathon Climate Control System

POWER MANAGEMENT

- Kohler 20 kW Turbo-Charged Generator On a Roll-Out with Pressure Regulated Air-Bag Mounts
- Two Xantrex 4000W, 24V Inverter/Chargers
- House Battery System Includes Six 4D House Batteries and One Isolated Generator Battery
- "Auto-Gen" Battery Charging System
- Three 24 Volt/140 Amp Alternators - One For Chassis and Two For House Battery Charging
- Battery Charger In Engine Bay - Maintains Chassis Batteries During Long Term Storage
- Electric Shore Cord Reel with Remote for 34', 50-amp Power Cord

ELECTRICAL

- TechLink® "Intelligent" Electrical System
- Solid Core Conductor Wire for 110V System
- LED Blown Fuse Indicators

AUDIO/VIDEO

- Two AM/FM Tuners With Station and Band Information Displayed On Crestron Screens
- One Six Disc DVD/CD Player
- Surround Sound Speaker System with Sub Woofer
- High Definition 46" LCD in Salon; HD 32" LCD in Bedroom; HD 32" LCD in Bay; and HD 22" LCD in Salon Slide-Out
- Blu-ray DVD/CD Player
- KVH In-Motion Satellite System with Two HD Dish Network Receivers; One with DVR
- Modulated Remote Control Video Source Selection System
- Crestron A/V Control System with Two Touchpanel Remotes Includes Lighting, Shades and Climate Controls
- iPhone Control of Coach Resources
- HDMI High Definition Video Switcher
- Sirius Satellite Radio Tuner With Song/Artist Information On Crestron Screens

COMMUNICATION/INFORMATION SYSTEMS

- 40-Channel, Cobra Handheld CB Radio
- Garmin, Voice Prompted GPS Mapping System With Pilot and Co-Pilot Touch Screen Control
- TechLink® Status Screens Displayed on Crestron Panels
- Burglar Alarm with Two Remote Key Fob Activators Including Motorized Deadbolt Operation
- Power Loss Indicators, Smoke and CO Detectors
- Weldex Rear and Side View Cameras
- Dash Mounted Crestron Touch Screen For GPS, Camera, And Coach System Control And Display

PLUMBING

- Two, Ten-and-One-Half-Gallon Water Heaters with Three Separate Power Sources and Plumbed in Series
- Seamless, Non-Corroding, Polyethylene Water and Holding Tanks with Electric Black and Grey Dump Valves and Freedom Plus® Automatic Sewer System
- Temperature Sensing Shower Mixer Valve
- Two High Output 12V Water Pumps

MISCELLANEOUS

- 24 Hour, Toll Free, 800 Number for Service Information
- Exclusive Marathon Coach Club Membership
- Bumper-to-Bumper Two-Year Full Warranty

2012 Marathon Triple Slide-Out Standard Specifications

CHASSIS SPECIFICATIONS

- Detroit Diesel Series 60 Engine 14.0 L (515 HP)
- Allison World Transmission
