

AND THE WINNER IS:

Emmy Award Nominee

The 57th Annual Emmy Awards will be aired Sunday, September 18, 2005 at 8/7c p.m. on the CBS network. This year *Extreme Makeover: Home Edition* has been nominated for an award in two categories: Outstanding Directing for Nonfiction Programming, and Outstanding Reality Program. The series, which is beginning its third season, is a reality TV show that helps deserving families by providing them a foundation for a better life.

A team of designers does an extreme makeover in seven days on the houses of families that are facing severe inequities or challenges beyond the norm. Examples of recent projects include rebuilding a house for eight children who had just lost their parents, or remodeling the living space of a wheelchair-bound young man by making it more accessible. The designers arrive in a Marathon coach at each remodeling site to initially surprise the home owners, then again at the end to dramatically reveal the remodeled house. Renovated homes, realized dreams, and fairy-tale endings are specialties of this program.

The program airs on the ABC television network on Sunday evenings at 8/7c p.m. Marathon Coach is honored to be a sponsor of this show and wishes the series the best of luck with the Emmy Awards. •
