

MARATHON: TOP CONVERTER

*M*arathon Coach is pleased to announce that a Prevost Car official recently confirmed that Marathon maintained its status as the largest Prevost converter in the world in 2004. Marathon and Prevost have long enjoyed a close working relationship. Over the past several years, 100% of Marathon's bus conversions have been built on Prevost chassis.

Steve Schoellhorn, Executive Vice President, comments: "Prevost Car is an important partner to Marathon and to our customers. We sincerely appreciate the cooperation and support we receive from Prevost, and look forward to a mutually beneficial relationship in the future." •
