On December 13, 2005, Marathon Coach announced executive promotions resulting from elections by the company's Board of Directors. Effective January 1, 2006, Charlie Myers, President and Chief Operating Officer, became Vice Chairman of the Marathon Coach Board of Directors. Steve Schoellhorn, Executive Vice President of Sales and Marketing, became President and Chief Operating Officer. Steve Irvin, Finance Manager, was promoted to Western Regional Sales Director.

As Vice Chairman, Charlie will continue to be involved with customer relations, the Marathon Coach Club, and corporate strategic planning. He will be based in Lindale, Texas where he and his wife, Toni, recently built a new home. Additionally, Charlie will continue to guide the development of Marathon's Texas facility in Grand Prairie.

Steve Schoellhorn, who joined Marathon in 1993, has been directing corporate sales since 1994, sales and marketing since 1997, and has been a member of the Board of Directors since 2000. Steve will now direct all operations of the company. Steve resides in Eugene with his

wife, Julie, their five-year-old son and daughter, Tyler and Sarah, and three-year-old daughter, Chase.

Steve Irvin, who has been with the company for 11 years, graduated from the University of Oregon with a bachelor's degree in accounting. Steve resides in Springfield with his wife, Cindy, their five-year-old son, Caleb, and their newborn daughter, Madison.

Bob Schoellhorn, Marathon's Chairman and CEO, commented: "Charlie has been planning to move back to Texas and reduce his day-to-day workload so he can spend more time with his family, and maybe get to play a little more golf. He and Steve have worked closely in the management of Marathon for several years in preparation for these moves, and I anticipate no change in direction of policy to result. The strong team that has been built under Charlie's leadership will remain in place, and I look forward to continuing to work with Charlie in his new role."

Marathon Coach extends congratulations to these men and wishes them good fortune as they start the year in their new positions. •
