

SCOTT ST. JOHN:

Marathon's Motor Sports Representative

The company welcomes its newest team member, Scott St. John, who will represent Marathon at motorsports events throughout America. Scott will be available on the NASCAR circuit, in addition to IRL, NHRA and CART races.

"I've been involved in motorsports most of my life," Scott said, "except for the four years I served in the Army in Germany. For the past seven years, I've worked in the NASCAR Cup Series with Roush Racing; the last four years I was Kurt Busch's business manager. I had the pleasure of interacting with Marathon while rep-

resenting Kurt in the purchase of his two coaches. After he won the Nextel Cup championship last year, I felt that a change would be good to allow me more time with my wife, Jodi, and our two children, Brandon and Bailey. I grew up in Maine and have now settled in upstate New York."

Besides attending racing events and the various activities of his children, Scott enjoys snowmobiling. Please join us in giving Scott a hearty welcome to the Marathon team. Reach Scott via e-mail at scotts@marathoncoach.com, or by cell phone at (813) 477-4969. •
