

Introducing Casey Giles

Finance Manager

Casey Giles
Finance Manager

Marathon Coach is pleased to welcome a new finance manager to the Marathon staff. Casey Giles replaces Steve Irvin, who was promoted to serve as the company's Western Regional Sales Director. As finance manager, Casey will oversee coach financing, leasing, and the transfer of coaches throughout the country.

Born and raised in Eugene, Oregon, Casey is a true University of Oregon Ducks fan. She graduated from the university in June of 2005, where she majored in Business with an emphasis in Finance. Casey has four years of experience in the RV industry.

Casey recently returned from a honeymoon cruise in the Bahamas after marrying Robert Giles in Las Vegas on May 20, 2006. Casey and Robert enjoy spending time together cooking, shopping, playing games, and being with family and friends. For a special night out, they dine at their favorite restaurant, Chantrelle, near the Fifth Street Public Market in Eugene.

If you have the opportunity, please extend Casey a hearty welcome to Marathon Coach. •
