Style, Luxury, Innovation...

by Kelly Kitchel

"Echo" is Marathon's exciting new show coach and the first of its kind to feature contrasting designs on opposite exterior sides. Coach #1082 is a fully loaded, 45-foot triple slide-out. It is equipped with Techlink, a Crestron remote-control system with surround sound, a 42" Plasma TV in the salon, and 32" LCD TV in the bedroom. "Echo" provides the ultimate comfort and convenience while conveying a bold, modern style. This innovative marriage of luxury and style is another example of Marathon's tradition of excellence. •
