

# Florida Expansion is Complete!

Marathon Coach Florida is pleased to announce that after 8 months of construction, its 10,000-square-foot expansion project was completed in January. The expansion not only doubled the facility's service capacity, but also provided for the remodel of existing office space and construction of a new enclosed delivery/display area, customer lounge, and boutique. Drop by and visit today, or call our toll-free number at 800-437-8295. •
