

#1180: Warm & Welcoming

by Sharleen Nelson

Fresh off the production line, the cozy and comfortable residential quality of this stunning 2009 triple slide-out XL coach feels just like home. Rich, caramel-colored laminate walls, hand-scraped wood-plank flooring in the salon, galley, and hallway, and wood cornice moldings on the valances come together to create a warm and welcoming space. Advancing the residential feel is the unique configuration of the 42" high-

definition television built into the salon driver's side. Additionally, this TV swivels out for easier viewing and includes extra storage behind it when it's in the swivel position. Entertain or enjoy a theater-like movie experience while relaxing on the plush fabric sofa with a large matching storage ottoman or the cushy leather recliner. Eye-catching artwork, accents, and a beautiful decorative tapestry area rug complete

the luxurious salon living space.

A unique blend of stone and glass tiling adorns the fabulous backsplashes in the galley and bath, and both bath and bedroom vanities feature a dramatic handmade glass under-mounted sink. Throughout the coach is the finest oil-rubbed bronze hardware and faucetry. The bedroom suite features plush tan carpeting and a custom wood and fabric upholstered

headboard stylishly embellished with LED rope lighting. The bedroom suite also features a spacious bench seat with a vanity that houses a 32" LCD pop-up TV.
