

Meet Fred Green

NEWEST MEMBER OF THE FLORIDA SALES TEAM

Fred Green, and his wife Cindy, recently moved from New Orleans to Florida for Fred to join Marathon's sales staff. Fred has approximately 20 years experience in the bus and high-end motor home industry. After rearing their three children, Cindy has worked by Fred's side every day for twelve years. Cindy says Fred is overjoyed to be part of the number one Prevost conversion company in the country.

"I am really excited to be a part of the Marathon family. I look forward to serving my customers with a quality product that is second to none," Fred stated.

Bob Phebus, Eastern Division Director of Sales and Marketing, commented: "We're very pleased to have someone as experienced as Fred in the Florida office. He is a great addition to our team and will give us the ability to better serve our customers during our busy season."

Please feel free to call and welcome Fred and Cindy Green to the Marathon family. •
