

#1178: Divine Design

by Sharleen Nelson

Attention to the smallest of details is a distinguishing hallmark of every custom-designed Marathon coach, and coach #1178 is no exception, from the stunning bronze-tinted, glass tile backsplashes with corresponding bronze keys embedded in an ebony tile floor, to the brushed chrome faucetry accentuated by matching chrome hardware and accents strategically placed throughout the coach.

A complementary blending of warm, earthy tones with sleek modern influences shape the design of this spectacular 2009 quad slide-out XL's aesthetically pleasing interior environ-

ment; for instance, the rich bamboo wood-plank flooring—which offers a rustic, distressed feel—surrounded by warm, walnut-colored laminate walls that create a soothing retreat. Two slide-outs in the salon greatly expand the space for a residential-like experience designed for entertaining or relaxation in total luxury and comfort. In the salon, a soft palette of chocolate brown-colored fabric and leather is the focal point of the stunning hand-upholstered fabric sofa embellished with leather piping and a leather base, and matching leather recliner and two ottomans, each with extra storage inside.

The modern facet of this coach is represented by the unique custom glass tile work, which is repeated in backsplashes throughout the coach. Particularly striking is the fully tiled wall in the bath area—you'll never want to leave this luxurious shower!

In the master bedroom suite, two additional slide-outs provide generous space for a vanity, which includes a fused glass-etched mosaic sink, bench seating, and loads of extra closet space and storage. Corresponding to the dramatic details of the interior, the exterior of this coach is rendered in a vibrant flow of ma-

roons, browns, and blacks with striking custom airbrushed, wood-grain accents. If that's not enough, built into the coach's bay section is a full-size, slide-out stainless steel barbecue with an attached wine cooler. An additional small refrigerator is also included in the bay for outdoor entertaining.
