

FOR YOUR STAY AT THE MARATHON COACH SERVICE DEPARTMENT

Video Game Systems

For the Kid In All of Us

Whether you are into playing the latest video games on-line, or if you want to have a system installed for the grandkids, the Marathon Coach Service Department can set you up. Gaming systems can be configured for local playing, or connected to the Internet for on-line gaming. The Internet version also allows for console updates, game downloads, and music and movie purchases through the individual consoles' marketplace.

HANDY INFORMATION FOR YOUR STAY AT THE MARATHON COACH SERVICE DEPARTMENT

XBox 360

The Xbox 360 is the second video game console produced by Microsoft, and the successor to the Xbox. A prominent feature of the Xbox 360 is its integrated Xbox Live service that allows players to compete on-line and download content such as arcade games, game demos, trailers, TV shows, and movies. Major features of the console include its Windows Media Center multimedia capabilities, mandatory support of high definition in all games, movie rentals, and game downloads from its on-line marketplace, although the Xbox 360 does not play HD or Blu-ray movie discs.

Pricing is based on localized or internet play and your coach components. Please call for a quote.

Playstation 3

The PS3 (PlayStation 3) is Sony Computer Entertainments' third video game console since entering the industry with PlayStation in 1994. The PS3 features a Blu-ray player, cell processor, hard drive on every unit, Bluetooth functionality, wireless onboard and HDMI output.

Pricing is based on localized or internet play and your coach components. Please call for a quote.
