HANDY INFORMATION FOR YOUR STAY AT THE MARATHON COACH SERVICE DEPARTMENT

## A New View

Add safety and convenience with the addition of a front wheel monitoring camera.

The Marathon Coach Service department is now offering an add-on feature to your side-view cameras—additional cameras that aim down over the front wheels giving a full view of what may show up suddenly in blind spots while parking or backing up.

The new camera system is tied into your backup monitor where you can choose rear, side or front wheel camera views.

Discreetly Mounted Under Existing Side Camera Housing

*Adjustable rotating camera lens to get the best view.*
