# WELCOME

*We are thrilled to announce the official opening of registration to Prevo's 100th Anniversary Homecoming Rally! Eugene Prevo started his humble company in 1924 in the quaint town of Sainte-Claire Quebec, and one hundred years later we will be journeying back to where it all began to celebrate the Prevo lifestyle and the family we've formed over the years!*

*This packet will serve as your step-by-step guide on how to register for the rally. Here is a quick highlight of what to expect:*

- You must download the "Prevo 100" app to your phone (QR code is on the following page). This app will house all your information regarding registration as well as the rally information. Prevo 100 app is*
  - free and available on both Google Play and the Apple App Store.*
  - Registration can only be completed through the Prevo 100 app.*
  - If you have difficulties or immediate questions, please contact the US Rally Liaison, Leslie Finley at [PrevoHomecomingRally@gmail.com](mailto:PrevoHomecomingRally@gmail.com)*
